Dear Selection Committee,

It is with great pleasure that I am writing a letter of recommendation for Christle Hart. I have known Christle since 2023 as a colleague. I believe Christle has the interpersonal skills, professionalism, and strong background in behavior management and education to make an excellent educator in your organization.

Interpersonally, Christle is open and caring towards families, her colleagues, students, administration, and staff. Christle demonstrates sophisticated self-evaluation, and her entire deportment indicates she is compassionate and forthright, making her an excellent person to work and collaborate with in the education of children with learning difficulties.

Professionally, Christle is an outstanding educator. Christle routinely seeks out additional information and educational opportunities to expand her knowledge base, thus creating professional connections and resources for families, staff, students, and other professionals. Christle is also adept at behavior management and successfully leads our teams in interventions which significantly reduce unwanted behaviors while maintaining relationships with students and families. Students, organizations, and families hold her in high respect which creates educational environments conducive to maximal learning. She works hard to ensure all students have the best opportunity to learn using differentiated instruction, social-emotional affirming interventions, and best practices.

In addition to Christle's interpersonal and professional skills, she demonstrates innovative and current educational and behavioral practices aligned with educational expectations, state standards, and federal laws. She provides diverse service delivery options to best meet individual student's needs. Christle also works from an inclusive base and easily adapts her instruction for each student.

Overall, I highly recommend Christle a for a position in your establishment. She will be an asset to your teams, her schools, and the families she serves; all will benefit from her leadership and commitment to education.
